Applying for the Exam Preparation Course

October 18, 2024 Hitachi Academy

Exam Preparation Course Overview

- This course provides an understanding of the exam overview, positioning, characteristics and explanations of each exam question, and key answering strategies.
- Since on-demand courses are video-based, you can take them anytime after completing your registration.
- Exam preparation courses are not available for all certification exams.
 *In this set of courses, the following courses are available: AZ-204, AZ-400, AZ-500, SC-200, and SC-300.
- Please refer to the following pages for the application procedure for each level.

Level	Application Method
Fundamentals	Watch LinkedIn content
Associate/Expert	Apply through the ESI portal

Applying for a Fundamentals On-demand Exam Preparation Course

- 1. Click the link for the desired preparation course.
- 2. Sign in to LinkedIn Learning.
- 3. Watch each course included in the learning path.

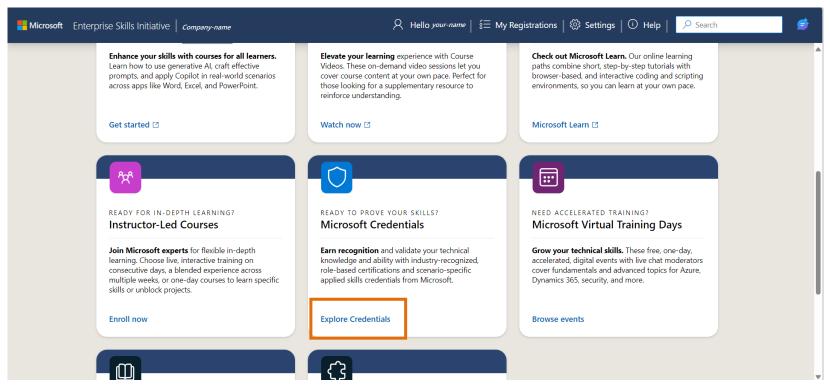

Learning Path	Course duration
Prepare for the Microsoft Azure Al Fundamentals (Al-900) Certification LinkedIn Learning	Approximately 6 hours and 49 minutes

^{*}Regarding AI-900, there are currently no exam preparation courses available for application through the ESI program. Therefore, we are recommending the exam preparation course offered on LinkedIn Learning for companies that have implemented LXP.

Applying for an Associate/Expert Exam Preparation Course(1/2)

- 1. Access the ESI portal in your web browser and log in with your company email address.
- 2. Click "Explore Credentials" on the "Microsoft Credentials" tile.

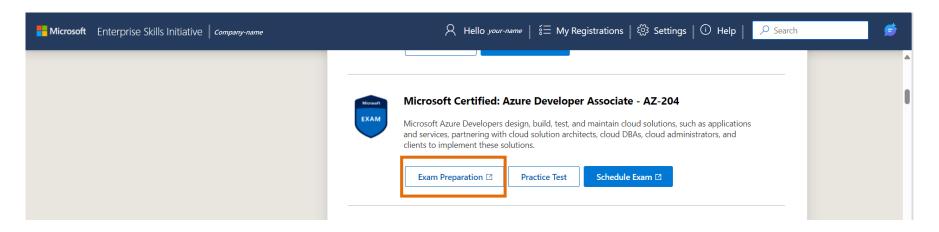

Applying for an Associate/Expert Exam Preparation Course(2/2)

- 3. Click "Exam Preparation" for your desired certification exam.
 - Exam preparation courses are not available for all certification exams.
 - In this set of courses, the following courses are available: AZ-204, AZ-400, AZ-500, SC-200, and SC-300.
- 3. Play the video.

 If prompted, log in with your company email address.
